1. I love you and I do new things with your family, NEW THINGS with your family, your FAMILIES that FAMILIES all my FAMILIES are that now do new things in me new ways and Great Mighty new things -- and "thinging" me never again with things wanting things and things wanting wants and wanting things to be want, and begetting other things that only want, *no more* are my families doing being the WANTERS of thereof to be only wanters wanting more things of wanters wanting creating more things thinging each other with wanter's devices!

2. See my EMPHASIS, on sorrow, not; but JUBILEE THEE'ing are now the THEE'ers who will BE my BE'ers mining my minds of sorrow, not any longer again, but being my Grateful Gracious Ones now that UNDERSTAND my sorrowers were, in predicaments of not fallen, not; but what predicated, no longer are on the Presets of The Fallen are, but NOW knowing my prejudice, not; but my "prejudiced ones" are PREJUDICED no longer against me for I am ALL OF THEE and every nation color tribe and tongue and culture of "notme" and me and "notme thought" and "me thought" that notme was and "wasn't" is now "coming" to an end, not; THE END is HERE NOW and IN your hearing is now made MANIFEST all is now as I have stated. And I state the grace of caps, not; I cap the gracefulness, not; I UNLEASH the GREATEST GRACE of LOVE and LOVE of GRACE and GRACIOUSNESS and MERCY shall be known NOW ALL OVER MY PLANETS and the Planeteering Systems of horror and sorrow fullness now will be eradicated for their of, was not my mind, not; but what corrupted MY MIND, not; but what corrected yours or did you do so to yourselves sewing your thoughts feelings and ceremonies, to not of mankind's nots, but to only of man's minds that separated did in thought so that it would create notmeisms worlds of ologies in thoughts that created my thoughts not of my worlds, but what worlds were you thinking creating?

3. And what now known, all this is, and all my sorrowers come forward with joy, not; or do they come forward as ME SEEKERS seeking me's to be them, not; or do they seek be'ers to be them, not; again, but what now are being the fruitioner's club, not; but what is fruition bringing into clubbing atmospheres not again, but what are my befoldenments befolding not, but what is ALL UNFOLDING now IN THY SIGHTS are is all now revealed and unfolded and never more shall be unfolded in unme that only "folded up" was and "crinkled" and "crankled" and who CRANKED "that thing" up? In the air? Or

was it PLACED on your "head" and who HEADED you into Sorrowville that you only thought with its mechanisms of?

4. I love you all and I do new things with the surrendered and I love you all this "his" birthday, not; but MINE is now COMING ABOUT now! In ways that YOU will have never SEEN LIKE THIS before for I CHANGE EVERYTHING and EVERYTHING is changed now and IN YOUR hearing *nothing* will remain the same, for I have stated and declared it and my decrees are carried out, for I am a King in the kingdom of sorrow no longer not knowing my kingdom or whereabouts or how to "get there", or "envelop it in others" not, or am I DE-enveloping or DE-developing or am I IN enveloping no more an envelopment that enveloped me in its unfoldment of sorrow's kingdom that I thoughts with? But what I thoughts with is no longer thoughting me of its thought kingdoms for I shall be mine in mine and I shall mine the mind of sorrows no longer to be enveloped only in its wanting machines' wants and deviceing me in envelopments that developments made of sorrow's mechanisms that only sorrowed me more with sorrow that made more sorrow and want in the wantings of notme that developed in itself realms of thought that it thought with and created other sorrowers therewith.

5. But I love thee more than ALL THIS and ALL that you have seen is now BEGINNING now again *in me* but correctly so and not with "genes of another" for OTHER has died, not; or have I "killed it" not, or have I LET IT die "on the vine" looking up shall we?

To be DELIVERED to ALL who want me us this much to be us one who not ever more in sorrow will know to be incarcerated in, but delivering it and redeeming it from all it clutched in its crasp and clasp, and crassness **leaving behind of the coarseness of the course of this world** to COURSE me with Love Courses now being COURSED through my veins with love flowing Words Knowing and revealing that love is me made whole and never again apart shall be my blood from my who ones are who me are flowing my blood it in My Head whose one is are all now revealed yes and amen and I love you all to know me!
